

audiovisiva 5.0  
May 2008

Call for entries

The call for entries is open to musicians and artists that are eager to submit their works to the audiovisiva 5.0 selection committee.

The festival will be held in Milan from May 22<sup>nd</sup> to 25<sup>th</sup> 2008, and will mainly focus on **contemporary music** (electronic music, digital music, blending between these genres and more traditional ones), **video art and artistic installations** (both site-specific and not), **sound installations** (both site-specific and not), **live video screenings** (vjing), **performances** (urban dance, theatre).

Therefore, the jury will evaluate and select materials for the following categories:

- **Sounds:** live and digital music, turntablism, circuit bending, micromusic, sound engineering, chiptune;
- **Images:** VJ sets, live soundtrack performances, video-art, light design, theatre, dance, scene design, graphic design;
- **Artistic installations:** interactive, video and sound installations.

Specifications & deadlines

The application includes both materials and the **completed entry form** (soon online); applicants shall also provide the following data:

- A biography;
- A presentation of the project (max 1.500 types);
- Technical specifications.

Further requirements:

**A 2-minute video or audio recording** which will be uploaded – depending on the committee's judgment - on [www.audiovisiva.it](http://www.audiovisiva.it), as from January 2008. The recording **shall not be an excerpt** from longer features.

**Allowed audio format: mp3**

**Allowed video formats: avi, quicktime.**

All materials shall be submitted in digital format (CD-Rom, DVD, MiniDv, audio CD).

**None of the submitted materials will be returned.**

All those interested in applying for the Milano Film Festival shall also apply on [www.milanofilmfestival.it](http://www.milanofilmfestival.it)

All entries must be sent (**by March 31<sup>st</sup> 2008**) to:
